

2016 Barwell cup

Jill Farmer reports on the competition which took place on the 23rd October 2016

Wimbledon Fencing Club won the Barwell Cup for the second successive year, at the competition held at Epsom College on 23 October 2016.

Disappointingly, there was an entry of only three teams, Kingston, Wimbledon and Streatham. It was decided that individual bouts in each of the four pools should be fenced to first of 15 hits (DE format), and this seemed to work well. The running time for the competition was approximately 2.5 hours.
