British Fencing Club Development Day – Brunel

British Fencing is pleased to offer affiliated clubs the opportunity to attend a Club Development Day as part of the National Academy Regional programme.

DATE	Sunday 23rd October 2011
VENUE	Brunel University Indoor Athletics Track (Main University Entrance) Kingston Lane Uxbridge Middlesex UB8 3PH http://www.brunel.ac.uk/about/campus/?a=32720
TIME	10a.m – 3p.m

The main content of the day will be a GBSport Business Essentials workshop. This interactive course provides essential business and financial information for sports coaches/clubs and their clients to ensure government regulations and requirements are satisfied.

The workshop will include advice and guidance on legal status, self-employment, employment, contracts, and insurance. British Fencing will work with GBSport to tailor the course to specifically suit the needs of our fencing clubs.

This 4 hour workshop normally costs £40 per person if booking direct with GBSport, however British Fencing is offering you this opportunity for **only £35** per person, including lunch, and useful resources to take away.

For more information on the Business Essentials workshop content please visit <http://www.gbsport.org.uk/pdf/training/bessentials.pdf>

This workshop was delivered at the National Academy in Nottingham and the feedback was extremely positive. We strongly urge clubs to make the most of this excellent opportunity. Clubs can send any representative from their administrative or coaching team, or a parent of a child at the Academy.

Places are limited and will be allocated on a first come first served basis. To book your place, please return the form below to Holly Miles at the earliest opportunity.

If you have any further questions please contact holly.miles@britishfencing.com.
