Equipment

Per BF safety guidance for this category of event:

Jackets	Plastron	Trousers/breeches	Masks	Gloves -sabre only (4)
CEN 1 350 Newtons	CEN 2 800 Newtons	CEN 1 350 Newtons	CEN 1 (350N.bib)(2, 3)	BF Competitions From 1/9/2014 Overall from 1/9/2016 - New FIE glove Specification

(2) All masks must be fitted with safety back straps (ie two methods of attachment). A back strap consists of elastic at least 35mm wide, secured to the mask side mesh at each end, passing UNDER any mask spring piece at the back, and tensioned to keep the mask firmly in place. It must stay fastened and tensioned during fencing
(3) WEF 1/3/2014 transparent visor masks are not allowed.
(4) Glove minimum standard being introduced only for fencing sabre. […]

Foil mask bib lame required. For this event, foil mask wire not essential if lame makes good contact with jacket (ie inside tabs, at organisers discretion. Preferably use a wire).
Foil and sabre mask wires of any design (clear/white/coloured/curly/straight will be acceptable, at organisers discretion).

Privacy

Please be aware of others privacy if you post information or photographs on the internet. In general, don't post full names (first name and surname) unless you have permission from the individual to do so. Results posted in the SCFU website may include surnames (and initial if needed).   Please inform the organiser if this is not OK.

Youth Fencers

Neither the organisers nor SCFU will be loco-parentis at this event.   Please would Youth Fencers (below the age of 18 on the day of the event) nominate a responsible adult and inform the organiser at check-in.   It is OK for another team member (18 or over) to accept this role.

At this event photography will be allowed. If you have safeguarding needs, please contact the organiser (or, if you prefer, the committee's safeguarding officer, Dr James Hamilton; email via SCFU website, committee contact email page).
