

National Academy Brunel 31st July

The theme of the coming session is “preparations to control and exploit the opponent”.

We will also be using Dartfish video analysis

Important

Applications for the Brunel session on 31st July should go to British Fencing HO as usual (FAO Katie Dolan). However all hands are to the pumps for the European Championships in Sheffield (www.eurofencing2011.com) and so there will be no immediate response.

As a safeguard, **all** fencers intending to attend need also to confirm by e-mail to the Lead Coach at jes@globalnet.co.uk (and copy to Katie).

All fencers are requested to submit a signed code of conduct to BF and any new attendees also need to e-mail a copy of the one-line spreadsheet to the Lead Coach.

Both documents are at: www.britishfencing.com/academy/academy-talent-development.

Joining instructions will be issued shortly before the session and fencers are reminded that they must bring the statement of fitness (it is the last page of the joining instructions) on the day.
